

## A CARD TO PATRONS.

Principal Kellum Anxious That They Should Watch Children.

Attention, Patrons: The first half of the present school term closed last Friday, January 27th, and I deem this an opportune time to have a word with each patron. Owing to the lack of time, it is impossible to see each one personally; I therefore take this method of having a word with each.

Every teacher has and is laboring earnestly for the advancement of your children. We need your assistance constantly, and urge it now, as the reports of the examinations of the fourth month reach you. Look over the cards carefully and see if the marks are what you think your child capable of—if not, then please investigate.

The teachers can only instruct the pupils; it is impossible to study for them. Insist on text books being brought home for private evening study, as the short space between recitations is insufficient for study, especially in the higher grades where the work demands outside study and research. Note the marks in attendance and punctuality and if below one hundred endeavor to see that your child is present every day and on time. Please sign the card and return in three days.

Help us and we promise good work.

Respectfully,  
J. G. KELLUM.

## Health

Means the ability to do a good day's work, without undue fatigue and to find life worth living. You cannot have indigestion or constipation without it's upsetting the liver and polluting the blood. Such a condition may be best and quickest obtained by Herbine, the best liver regulator that the world has ever known. Mrs. D. W. Smith writes, April 8, 1902: "I use Herbine, and find it the best medicine for constipation and regulating the liver I ever used." Price 50 cents. Sold by W. M. Johnson.

## License Notice.

I was not supplied with license blanks until the day court convened last October. The State's Attorney asked me to report at that session of court, but in view of the fact that the blanks had not been furnished me in time for licenses to be issued, he consented to my making no report at that time, but instructed me to have report ready for spring term of court, which convenes this month, and to file information with him against all who did not comply with this requirement of the law by this court.

There are quite a number of business and professions who have not as yet complied with this law. I am now getting up this list, and those who have not taken out such licenses, if they desire not to be included on this list, must attend to this matter very soon.

Respectfully,  
W. D. DICKINSON.

## If the Baby is Cutting Teeth

Be sure and use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty-five cents a bottle.

## Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It is the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## HAMLINS WIZARD OIL

No time should be lost, because lung trouble may easily develop into pneumonia or consumption. Hamlin's Wizard Oil, applied to the chest, relieves the pain and inflammation, loosens up the cough and soon cures the disease.

"My little girl," writes Rich. W. Thornton, of Quay, Colo., "suffered more or less with a cold on the lungs since her birth, and finally the trouble became serious. No remedies gave relief, until we tried Hamlin's Wizard Oil, one bottle of which permanently cured her." Price 50c and \$1.00.

## TURNER A BAD COON.

Dug Way Under Micanopy Jail and Made Escape, But Arrested Here.

Deputy Sheriff C. H. Chrisman of Micanopy Tuesday took Nelson Turner, a negro arrested here upon his instruction, to Micanopy. Turner was wanted by the Micanopy authorities upon a charge of jail breaking. Several weeks ago he was arrested by Officer Chrisman for gambling and placed in the town jail. During the night he dug his way under the ground and gained his freedom, since which time he has been at large up to Monday, when he was arrested here.

Turner is a "hot proposition" sure enough. Since his escape from the Micanopy jail he was arrested here by Deputy Sheriff Granger, who caught him, with five others, in a crap game. He was arraigned before Justice Colman and fined \$25 and costs, which he promptly paid and was released from custody.

## Perfect Confidence.

Where there used to be a feeling of uneasiness and worry in the household when a child showed symptoms of croup, there is now perfect confidence. This is owing to the uniform success of Chamberlain's Cough Remedy in the treatment of that disease. Mrs. M. I. Barford of Poolesville, Md., in speaking of her experience in the use of that remedy says: "I have a world of confidence in Chamberlain's Cough Remedy, for I have used it with perfect success. My child, Garland, is subject to severe attacks of croup, and it always gives him prompt relief." For sale by all druggists.

## Rogers Gets Life Sentence.

Mobile Ala., Feb. 1.—Henry Rogers, convicted recently in the United States court of robbing the mails and jeopardizing the life of the mail carriers near Evergreen, Ala., has been sentenced to the Atlanta penitentiary for life by Judge Toumin.

## When You Have a Cold.

The first action when you have a cold should be to relieve the lungs. This is best accomplished by the free use of Chamberlain's Cough Remedy. This remedy liquefies the tough mucous and causes its expulsion from the air cells of the lungs, produces a free expectoration and opens the secretions. A complete cure soon follows. This remedy will cure a severe cold in less time than any other treatment, and it leaves the system in a natural and healthy condition. It counteracts any tendency toward pneumonia. For sale by all druggists.

## The Attraction.

Prim Mother—My son, I am afraid you are going to make a mistake in marrying Miss Easyway. Both she and her mother are fearfully fat housekeepers. Son—I know it, mother, that's what caught me. It's so comfortable over there, you know. I can sit down anywhere in the parlor without being told that I'm mousing things up!—Detroit Free Press.

## Itch—Ringworm.

E. T. Lucas, Wingo, Ky., writes, April 25th, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable. I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me permanently. Since then I have used the liniment on two separate occasions for ringworm and it cured completely. 25c, 50c and \$1 bottle. Sold by W. M. Johnson.

## Entangled in a Live Wire.

If a person is tangled in a live electric wire and you want to extricate him therefrom do not take hold of the victim's hands, as is often done in a case of this kind. You will be shocked if you do. Be sure to grab the clothes alone, and then you are safe, and the current cannot reach you. Do not let anything come in contact with your bare hands but his coat and trousers. Of course if you have thick leather gloves on you can handle with impunity the individual in distress.

## Another Case of Rheumatism Cured by Chamberlain's Pain Balm.

## Convulsion, Fits, then Epilepsy.

Dr. Miles' Restorative Nervine has been so successful in curing these brain-wrecking diseases that there is every reason to believe that even the most hopeless cases can be benefited, if not fully restored. We will be pleased to refer any one thus afflicted to many who now enjoy the blessing of health, after years of hopeless suffering.

"I have a son that had brain fever when two years old, followed by fits of the worst type, and he was pronounced incurable. I spent hundreds of dollars for him, without relief. After about fifteen years he became so bad that we sent him to Longhill hospital for the insane, at Logansport, Ind. He was there nearly three years, but he continued to grow worse, so we brought him home July 25, 1902, in an awful condition. He had lost his mind almost entirely. He hardly knew one of the family, could not even find his bed; was a total wreck. He had from 5 to 10 fits a day. We were urged to try Dr. Miles' Nervine, and before the first bottle was used, we could see a change for the better. We have given it to him ever since, and he has had but two very light spells since last August, 1902, and then he was not well other ways. We pronounce him cured, as he can work and go anywhere. If any one wishes to ask any questions concerning this, they are at liberty to do so."

E. H. BURNELL, Logansport, Ind.  
Dr. Miles' Nervine is sold by your druggist, and will guarantee that the first bottle will benefit. If it fails, he will refund your money.
